NDSCCC Chairman, Tim Hatcher, presenting a £500 cheque from the NDSCCC to our 2018 charity of the year, Calvert Trust, Exmoor

Thank you. NDSCCC.....

You raised £ *£500.00!*

Without your support we would be unable to continue providing adventurous activities to people of all disabilities.

www.calvert-trust.org.uk/exmoor Registered Charity No: 1005776

The Calvert Trust provide facilities for activity holidays for all - Horse riding, zip lines, sensory centre and wheelchair absailing. They also canoe, kayak and dingy sail on a nearby lake.

Excellent facilities and a really worthwhile mission.

CHAIRMAN'S CHAT

Phew that's another AGM over and dusted, we had around 45 for lunch beforehand and another 10 or so who joined us solely for the AGM. The lunch and AGM were held at Swimbridge Village Hall, with catering (BBQ roast lunch, sweets and coffee) being provided by an outside caterer. All ably organised by Alex Lain (thanks again Alex). Strangely enough there were no volunteers to take up the post of Chairman so, in true "Backstop" tradition you are lumbered with me for another year! You will see in the Committee section of the mag that we now have a new Editor (Bob Meller), a new webmaster (Tim Barker) a Regalia Secretary (Rob Martin) as well as another lady on the Committee (Judy Down) all in addition to the "old hands" that have done such a sterling job over the past few years. Membership closed in the low 140s last year and we are hoping to build upon that this year by adding a few more events. You will have noticed that Clare Kane has organised a 19th May trip down to Exmouth and the World of Country Life and I am busy bringing together a run on Sunday 30th June (put this date in your diary!) starting with breakfast at the Calvert Trust, a run over Exmoor and then afternoon tea with a stroll around the wonderful Filleigh gardens. We have reserved the "West Wing" especially for the tea! Judy Down will be arranging the winter season to complement the breakfast meets as well. So lots to do and see in addition to our "standard" events.

Its always great to see new faces at our gatherings as well as the new cars, and we will always make you welcome and for those that don't know me I am the younger Richard Gere look alike.....with a beard, a lot less hair, a few extra inches on the waist, a louder voice etc etc! I and the other members of the Committee are looking forward to meeting up with as many of you as possible over the coming year.

With such a large and growing membership please do book in for events as early as possible, it avoids your disappointment should spaces be limited, as well as making the organisation a lot easier.

Membership, held at £15 per household, is now due (if you have not already paid) and if you are paying by bank transfer please do put your name in the reference box. New membership cards are being sent out and please try and keep them with you when you come to events.

We will be soon be getting NDSCCC business cards printed, they will be able to be left on the windscreens of likely new member's vehicles. Please help out by recruiting new members when the opportunity arises. The more members we have the more events we can get involved with and the more varied the membership both in people and car terms.

Lastly I am sure the new Editor would welcome submissions for the magazine. Send them to Bob at ndsccc.newsletter@gmail.com

Cheers Tim

NDSCCC Breakfast Meet—March 2019

Chivenor

Over 20 club cars arrived at the last "winter warmer" breakfast meet held at the Waterside Cafe on Chivenor Business Park. With 40 or so members having breakfast the NDSCCC almost took over the place! After breakfast members were given the opportunity to look around Custom Classics also situated on the Business Park. Special thanks must go to Heather Ward who organised all the breakfast meets, at differing locations, over the winter. Due to popular demand they will restart in October with Heather being helped by Anthony Kane.

NDSCCC Golden Pencil Award

Members are invited to submit a short article for the chance of winning a prize at the 2020 AGM

April 2019 submission by Clive England

The Golden Pencil award (announced via email late last year) is made to one author selected at random from any club member who contributes a personal article & picture to the club magazine in the year between AGMs.

Between launch and this AGM just one article was received so

The 2018 award goes to Robert Martin for "Ford Anglia - My first car".

We will be rolling out a new award for 2019, so please put pen to paper or finger to keys and tell us a story via the club magazine for a chance to win this valuable prize.

Templates for the 3 categories will be sent via a separate email from the editor. and can be found on the website.

Clive England writes:-

This was the first car I ever owned way back in the early 80's. A beige '78 Opel Kadette, being the slightly edgy version of the very popular Vauxhall Chevette. I like to think of it as a 2 door coupe but truth be told it was just a very convenient car to buy. Owned previously by friend Ian it had covered about 65,000 miles to which I added another 20k. Generally in good order but the sun visor did have a habit of dropping in front of your face unexpected moments. Having just finished university I used the car to run weekly between Haywards Heath and Bournemouth where I was working. It only broke down once when the cam chain let go that luckily did not do too much internal damage. Having back seats and a boot it was way more practical than my next car but that's another story. Last seen in the background of the German cult film "Run Lola Run". It might not seem exciting now but who ever forgets the thrill of driving off solo in the first car they ever owned ?

The Rolls has covered 130,000 miles and has benefitted from an extensive service history most recently through classic car specialist Dave Baskerville in North Devon who can be spoken to on 01271 342019 regarding the quality of the Shadow.

It runs and drives beautifully which makes driving friends to weddings, proms and special events truly memorable . It would make an excellent business opportunity in this area if so desired.

The Shadow will come with 12 months MOT and becomes tax exempt toward the end of 2019.

For Sale, 1978 Triumph Spitfire 1500 with overdrive.

Colour – Mimosa yellow

£7800.00 or reasonable offer.

The car is now over 40 years old, it had a nut and bolt restoration back in 1999 and soon after winning an award at the Footman James 2002 classic car show in Bristol.

Both seats were restored 2 years ago with foam and Leather covers from Park Lane Classics.

It has a full service history has been serviced regularly by a local classic car mechanic and the owner never hesitates to spend money on the car if it is needed. All the Service and parts Receipts are available. There is a box file of paperwork dating back to when the car was new.

The soft top and paint are in very good condition and polish up well. The engine is strong, drives really well and with overdrive it can more than cope with modern traffic.

Recently the Odometer decided to stop working at 50,000 miles. A second hand one was fitted which is now showing 78,000 miles. The Garage that fitted it has drawn up a letter stating the miles of the car when it was changed. The last MOT also shows the mileage at 50,000 miles. In the pictures you can see the new one fitted and the old one stuck at 50,00 miles.

There is also a hard top of which is never used. The paint and the rubbers are in very good condition. The head lining is still attached, and the hard top is more than useable.

The car is now MOT and Road TAX exempt, but the car does come with 12 months MOT.

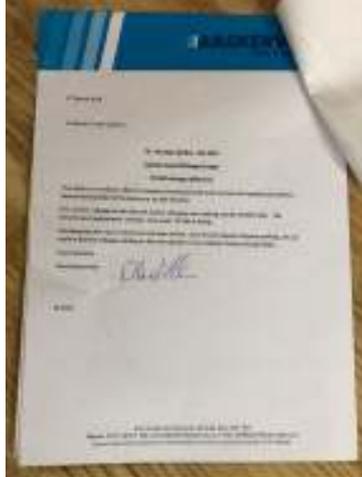

The underside is straight and clean and there is no rust on the underside or body of the car. The chrome around the car is also in very good condition.

The car is based in Bideford.
