CHAIRMAN'S CHAT

The sun is out and the show season is upon us and there are trips to do in our cars and places to see. So far this year we have been out to Wiscombe Hill, Bideford Quay, Barnstaple Square and Sidmouth Donkey Sanctuary to name but a few. Looking at our Facebook page, members have also been out and about attending national events and tours. All in all its great to see so many people enjoying themselves and their cars.

Unfortunately Rob Laird-Furley (blue Jensen GT) has been very poorly recently. After a protracted hospital stay he has now had a double heart bypass and various arterial inserts and is now back home with Leslie recuperating and being fed grapes. It is the start of a long road to a full recovery but I feel sure we will see him out and about soon, even if Leslie is driving. We wish him all the best. In car terms he has had a top end rebuild, de coke, a couple of new valves lapped in with a new head gasket!

The Barnstaple Square event, a new addition to the Club Calendar, proved very popular with a very good public footfall. There is another planned for the summer so get your names down as space is limited.

The Midsummer Run has over 27 cars booked on it as I speak and as I need to finalise the catering arrangements booking will close on the 10 June. So please don't miss out.

The North Devon Festival of Transport is also starting to gather momentum with well over 100 cars booked in, again if you haven't booked in yet get going now.

I am looking forward to the South Molton Show, this year being held near Rackenford, albeit I will only be there on the Sunday. We have around 20 Club Members booked in for each day and I'll take the gazebo up on the Friday beforehand.

Finally after the trip to the Donkey Sanctuary we now have another "fluffy" friend at home, Doris the "stuffed" toy donkey.....well she is quiet, doesn't eat anything, doesn't need mucking out, and can be left on her own for long periods etc etc! (please no rude comments)

Cheers Tim

Drive it Day Poem by Lesley Banbury

Ode To Wiscombe.

As a club we owe a lot to Ant & Clare
Who organised Wiscombe and made sure we got there!
I lamented not taking my old trials car
But thought it too risky as it hasn't been far
Although a Land Rover nearly landed me in a ditch
It turned out to be just a minor glitch
It was great Tim & Kate made it too
Can't have a chairman with an engine that blew!
The cars were amazing and the setting bliss
Certainly Wiscombe was not one to miss.
